**MT ROSA LODGE VINEYARD.** At 470-480 metres above sea level this tiny vineyard in the Gibbston valley is one of the highest in New Zealand. The fruit ripens slowly in the clear mountain air and harvest can be up to two weeks later than most other sub regions in Central Otago. Gentle winemaking and a natural, wild yeast fermentation help to capture the essence of the site giving wine that is delicately structured with elegance and detail.

**Produced and bottled by Wild Irishman Wines Ltd**

381 Clyde-Alexandra Highway, Alexandra 9391

Exclusive New Zealand distribution: [wine@kinross.nz](mailto:wine@kinross.nz)

Contains approx:  
7.5 standard drinks.
